Accordingly investors will be required to furnish a copy of PAN together with the Application Form. The procedure implemented by the AMC and the decisions taken by the AMC in this regard shall be deemed final.

#### DETAILS FOR COMPLIANCE WITH ANTI MONEY LAUNDERING REGULATIONS OF SERI

Prevention of Money Laundering Act, the SEBI Circulars on Anti Money Laundering and the Client Identification implementation procedures prescribed by AMFI interalia require the AMC to verify the records of identity and address(es) of investors. To ensure adherence to these requirements, investors are required to approach Points of Service (POS) (list of POS available on amfiindia.com) appointed by any of the KYC Registration Agency and submit documents for completion of appropriate KYC checks. The details for KYC compliance can also be downloaded from AMFI website, www.amfiindia.com or website of the mutual fund, www.idfcmf.com. The Mutual Fund website also prescribes the list of documents that can be submitted by investors to the POS to get their KYC checks completed.

It is mandatory for all investors (including joint holders, NRIs, POA holders and guardians in the case of minors) to furnish such documents and information as may be required to comply with the Know Your Customers (KYC) policies under the AML Laws. Applications without such documents and information may be rejected.

In terms of SEBI circulars dated April 27, 2007, April 03, 2008 and June 30, 2008 read with SEBI letter dated June 25, 2007. Permanent Account Number (PAN) would be the sole identification number for all participants transacting in the securities market, irrespective of the amount of transaction, except (a) investors residing in the state of Sikkim; (b) Central Government, State Government, and the officials appointed by the courts e.g. Official liquidator, Court receiver etc. (under the category of Government) and (c) investors participating only in micro-pension. SEBI, in its subsequent letters dated June 19, 2009 and July 24, 2012 has conveyed that systematic investment plans (SIP) and lumpsum investments (both put together) per mutual fund up to ₹ 50,000/- per year per investor shall be exempted from the requirement of PAN. Accordingly, investments in IDFC Mutual Fund (including SIP investment where the aggregate of SIP installments in a rolling 12 months period or in a financial year i.e April to March) of upto ₹ 50,000/- per investor per year shall be exempt from the requirement of PAN. However, eligible Investors (including joint holders) should comply with the KYC requirement through registered KRA by submitting Photo Identification documents as proof of identification and the Proof of Address [self-attested by the investor / attested by the ARN Holder/AMFI distributor]. These exempted investors will have to quote the "PERN (PAN exempt KYC Ref No) in the application form. This exemption of PAN will be applicable only to investments by individuals (including NRIs but not PIOs), joint holders, Minors and Sole proprietary firms. PIOs, HUFs and other categories of investors will not be eliaible for this exemption.

Thus, submission of PAN is mandatory for all other investors existing as well as prospective investors (except the ones mentioned above) (including all joint applicants/holders, guardians in case of minors, POA holders and NRIs but except for the categories mentioned above) for investing with mutual funds from this date. Investors are required to register their PAN with the Mutual Fund by providing the PAN card copy (along with the original for verification which will be returned across the counter). All investments without PAN (for all holders, including Guardians and POA holders) are liable to be rejected. Application Forms without quoting of PERN shall be considered incomplete and are liable to be rejected without any reference to the investors. The procedure implemented by the AMC and the decisions taken by the AMC in this regard shall be deemed final.

After completion of KYC compliance, investors need to approach KRA for Change of Address and not Registrar (CAMS). In respect of KYC compliant Folio, prospective Change of Address received along with transaction slip will not be processed by Registrar (CAMS). The AMC reserves the right to reject subscription requests in the absence of appropriate compliance with the AML Laws.

However, they are exempt from the requirement of providing PAN as a proof of identification.

Ultimate Beneficial Owner(s): As per the requirements of Anti-Money Laundering related laws and regulatory guidelines on client due diligence and identification of Beneficial Ownership, investors (other than Individuals) are required to provide details of 'Ultimate Beneficial Owner(s) [UBO(s)]'. For the purpose of these guidelines, UBO means the natural person or persons who ultimately own, control or influence a client and/or persons on whose behalf a transaction is being conducted, and includes those persons who exercise ultimate effective control over a legal person or arrangement. - IV. - /. If the commencement date is 15th December 2020 and if the investor provides the start date 1st January 2021, then capital appreciation for first trigger will be calculated between the commencement date (15th December 2020) and the investor's opted start date (1st January 2021)
  - a. For Monthly frequency the subsequent trigger date is 1st February 2021
  - b. For Quarterly Frequency the subsequent trigger date is 1st April 2021
  - c. For Half- yearly Frequency the subsequent trigger date is 1st July 2021
  - d. For Year yearly Frequency the subsequent trigger date is 1st January 2022
- VI. If the investor has not mentioned any date then the default date will be considered as 10th.
- VII. Minimum Capital Appreciation Sweep Amount: INR 500
- VIII. There will be no upper limit on the Capital Appreciation Switch out amount.
- IX. The investor will have to mention the start and end date. The investor may choose to mention the start date and the number of installments. In case the start date is mentioned but end date is not mentioned and number of installments is not mentioned, the application will be registered for the minimum number of installments. In case the end date is mentioned but start date is not mentioned, the application will be registered after the expiry of 10 days from submission of the application from the default date i.e. 10th of every month / quarter / half year / annual provided the minimum number installments are met.
- 14. The switch will be triggered only if the required minimum capital appreciation clause is achieved. If this is not the case as on the trigger date the switch for that respective month/ quarter/half year/year will be skipped. There is no limitation on number of skips.
- 15. If any trigger is skipped for a particular frequency due to the appreciation amount being less than the minimum amount, the subsequent tracking of the capital appreciation will continue with the amount as on the last executed STP.
- 16. The calculation of capital appreciation will be done at a transaction level in the respective scheme and folio. For example: If the investor has opted for this facility (monthly frequency) and CAMS (Registrar and Transfer Agent) has registered the STP in their system on 1st January 2021. All subsequent lump sum purchases (including switch-ins) in the source scheme will be tracked from the date of purchase for a period till the next Cap STP date. If at an individual transaction level there has been a minimum appreciation of INR 500, then such a transaction will qualify for switch and accordingly the capital appreciation amount would be calculated and switched to the target scheme. For all qualifying transactions, the switch amount into the target scheme will be a single collective amount after adding transaction level appreciation for all qualifying transactions.

#### Investment Objective:

The investment objective of the Scheme is to replicate the Nifty 100 index by investing in securities of the Nifty 100 Index in the same proportion / weightage with an aim to provide returns before expenses that closely correspond to the total return of Nifty 100 Index, subject to tracking errors.

However, there is no assurance or guarantee that the objectives of the scheme will be realized and the scheme does not assure or guarantee any returns.

#### Asset Allocation:

SEBI Circular dated January 10, 2019, specifies following portfolio concentration norms to be adopted by index fund:

- a) The index shall have a minimum of 10 stocks as its constituents.
- b) For a sectoral/ thematic Index, no single stock shall have more than 35% weight in the index. For other than sectoral/ thematic indices, no single stock shall have more than 25% weight in the index.
- c) The weightage of the top three constituents of the index, cumulatively shall not be more than 65% of the Index.
- d) The individual constituent of the index shall have a trading frequency greater than or equal to 80% and an average impact cost of 1% or less over previous six months.

The underlying index i.e. Nifty 100 Index complies with the aforesaid portfolio concentration norms. Further, the Fund shall evaluate and ensure compliance to aforesaid norms at the end of every calendar quarter. The updated constituents of the underlying index have also been made available on the website of the Fund i.e. <a href="https://www.idfcmf.com">www.idfcmf.com</a>.

### Investment Strategy:

#### Equity

The Scheme will be managed passively with investments in stocks in a proportion to the weights of these stocks in the Nifty 100 Index. The investment strategy would revolve around reducing the tracking error to the least possible through rebalancing of the portfolio, taking into account the change in weights of stocks in the index as well as the incremental collections/redemptions from the Scheme.

#### Risk Profile of the Scheme & Risk Mitigation Factors

Mutual Fund Units involve investment risks including the possible loss of principal. Please read the SID carefully for details on risk factors before investment.

- The Scheme attempts to track the respective indices and it would primarily invest in the securities included in its Underlying indices regardless of their investment merit. The Scheme may be affected by a general decline in the Indian markets.
- Performance of the Nifty 100 Index will have a direct bearing on the performance of the scheme. In the event the Nifty 100 Index is dissolved or is withdrawn by Index Service Provider or is not published due to any reason whatsoever, the Trustee reserves the right to modify the respective scheme so as track a different and suitable index or to suspend tracking the Nifty 100 index till such time it is dissolved / withdrawn or not published and appropriate intimation will be sent to the Unit holders of the scheme. In such a case, the investment pattern will be modified suitably to match the composition of the securities that are included in the new index to be tracked and the scheme will be subject to tracking errors during the intervening period.
- Tracking errors are inherent in any index fund and such errors may cause the scheme to generate returns which are not in line
  with the performance of the Nifty 100 Index or one or more securities covered by / included in the Nifty 100 Index and may
  arise from a variety of factors including but not limited to, any delay in the purchase or sale of shares due to illiquidity in the
  market, settlement and realisation of sales proceeds, delay in credit of securities or in receipt and consequent reinvestment
  of Income Distribution cum capital withdrawal, etc.
- The Indices reflect the prices of securities at a point in time, which is the price at close of business day on National Stock Exchange of India Limited (NSE). The scheme however, may trade these securities at different points in time during the trading session and therefore the prices at which the scheme trade may not be identical to the closing price of each scrip on that day on the NSE. In addition, the scheme may opt to trade the same securities on different exchanges due to price or liquidity factors, which may also result in traded prices being at variance, from NSE closing prices.
- The Index service provider undertakes periodic reviews of the securities that are represented in the Nifty 100 Index and from
  time to time may exclude existing securities or include new ones. In such an event, the scheme will endeavor to reallocate its
  portfolio to mirror the changes. However, the reallocation process may not occur instantaneously and permit precise
  mirroring of the Nifty 100 Index during this period.
- The potential of trades to fail may result in the scheme not having acquired the security at the price necessary to mirror the index.
- · Transaction and other expenses, such as but not limited to brokerage, custody, trustee and investment management fees.
- Being an open-ended scheme, the scheme may hold appropriate levels of cash or cash equivalents to meet ongoing
  redemptions. The scheme may not be able to acquire or sell the desired number of securities due to conditions prevailing
  in the securities market, such as, but not restricted to: circuit filters in the securities, liquidity and volatility in security
  prices.

- Due to the reasons mentioned above and other reasons that may arise, it is expected that the scheme may have a tracking error in the range of 2-3% per annum from the Benchmark. However, it needs to be clearly understood that the actual tracking error can be higher or lower than the range given.
- In case of investments in derivatives like index futures, the risk reward would be the same as investments in portfolio of
  shares representing an index. However, there may be a cost attached to buying an index future. Further, there could be an
  element of settlement risk, which could be different from the risk in settling physical shares and there is a risk attached to the
  liquidity and the depth of the index futures market as it is relatively new market.

The Fund by utilizing a holistic risk management strategy will endeavor to manage risks associated with investing in thematic equity funds. The risk control process involves identifying & measuring the risk through various risk measurement tools. The Fund has identified following risks and designed risk management strategies, which are embedded in the investment process to manage such risks.

Risk	Risk mitigants / management strategy			
Quality risk: Risk of investing in stocks with poor performance	Portfolio carefully selected to only include high quality stocks			
Market risk: Risk of adverse price movement in portfolio	Equity as an asset class tends to be volatile in the short term. A Thematic fun likely to have a higher volatility as compared to a diversified fund.			
Concentration risk: Risk of undue concentration in a single stock	The fund manager will have appropriate risk management policies to ensure that the portfolio is not unduly concentrated			
Liquidity risk: Risk of liquidity impact of entering/ exiting the underlying stocks in the portfolio	The fund manager will give due care to the liquidity of the stocks while deciding its allocation to the portfolio.

Due to this regulatory change, AMC has now ceased sending physical account statement to the investors after every financial transaction including systematic transactions.

The CAS shall be generated on a monthly basis. The Consolidated Account Statement issued is a statement containing details relating to all financial transactions made by an investor across all mutual funds viz. purchase, redemption, switch, payout of Income Distribution cum capital withdrawal option, reinvestment of Income Distribution cum capital withdrawal option, systematic investment plan, systematic withdrawal plan, systematic transfer plan, bonus etc. (including transaction charges paid to the distributor) and holding at the end of the month. The CAS shall also provide the total purchase value / cost of investment in each scheme.

Further, a consolidated account statement shall be issued every half yearly (September/March), on or before twenty first day of succeeding month, providing the following information:

- holding at the end of the six month
- The amount of actual commission paid by AMCs/Mutual Funds (MFs) to distributors (in absolute terms) during the half-year period against the concerned investor's total investments in each MF scheme. The term 'commission' here refers to all direct monetary payments and other payments made in the form of gifts / rewards, trips, event sponsorships etc. by AMCs/MFs to distributors. Further, a mention may be made in such CAS indicating that the commission disclosed is gross commission and does not exclude costs incurred by distributors such as service tax (wherever applicable, as per existing rates), operating expenses, etc.
- The scheme's average Total Expense Ratio (in percentage terms) along with the break up between investment and advisory fees, commission paid to the distributor and other expenses for the period for each scheme's applicable plan (regular or direct or both) where the concerned investor has actually invested in.

Such half-yearly CAS shall be issued to all MF investors, excluding those investors who do not have any holdings in MF schemes and where no commission against their investment has been paid to distributors, during the concerned half-year period.

The CAS will be sent via email (instead of physical statement) where any of the folios consolidated has an email id or to the email id of the first unit holder as per KYC records.

#### For Unitholders who have not registered their PAN / PEKRN with the Mutual Fund:

For folios not included in the Consolidated Account Statement (CAS):

- The AMC shall allot the units to the applicant whose application has been accepted and also send confirmation specifying
  the number of units allotted to the applicant by way of email and/or SMS's to the applicant's registered email address
  and/or mobile number within five working days from the date of transaction.
- The AMC shall issue account statement to the investors on a monthly basis, pursuant to any financial transaction in such
  folios on or before tenth day of succeeding month. The account statement shall contain the details relating to all financial
  transactions made by an investor during the month, the holding as at the end of the month and shall also provide the total
  purchase value / cost of investment in each scheme.
- For those unitholders who have provided an e-mail address, the AMC will send the account statement by e-mail instead of
  physical statement.
- The unitholder may request for an account statement by writing / calling us at any of the ISC and the AMC shall provide the account statement to the investor within 5 business days from the receipt of such request.

Further, an account statement shall be sent by the AMC every half yearly (September/March), on or before twenty first day of succeeding month, providing the following information:

- holding at the end of the six month
- The amount of actual commission paid by AMCs/Mutual Funds (MFs) to distributors (in absolute terms) during the half-year period against the concerned investor's total investments in each MF scheme. The term 'commission' here refers to all direct monetary payments and other payments made in the form of gifts / rewards, trips, event sponsorships etc. by AMCs/MFs to distributors. Further, a mention may be made in such CAS indicating that the commission disclosed is gross commission and does not exclude costs incurred by distributors such as service tax (wherever applicable, as per existing rates), operating expenses, etc.
- The scheme's average Total Expense Ratio (in percentage terms) along with the break up between investment and advisory fees, commission paid to the distributor and other expenses for the period for each scheme's applicable plan (regular or direct or both) where the concerned investor has actually invested in.

Such half-yearly account statement shall be issued to all investors, excluding those investors who do not have any holdings in IDFC MF schemes and where no commission against their investment has been paid to distributors, during the concerned half-year period.
