Accordingly investors will be required to furnish a copy of PAN together with the Application Form. Application Forms without these information and documents will be considered incomplete and are liable to be rejected without any reference to the investors. The procedure implemented by the AMC and the decisions taken by the AMC in this regard shall be deemed final.

#### C) DETAILS FOR COMPLIANCE WITH ANTI MONEY LAUNDERING REGULATIONS OF SEBI

Prevention of Money Laundering Act, the SEBI Circulars on Anti Money Laundering and the Client Identification implementation procedures prescribed by AMFI interalia require the AMC to verify the records of identity and address(es) of investors. To ensure adherence to these requirements, investors are required to approach Points of Service (POS) (list of POS available on amfiindia.com) appointed by any of the KYC Registration Agency and submit documents for completion of appropriate KYC checks. The details for KYC compliance can also be downloaded from AMFI website, www.amfiindia.com or website of the mutual fund, www.bandhanmutual.com. The Mutual Fund website also prescribes the list of documents that can be submitted by investors to the POS to get their KYC checks completed.

It is mandatory for all investors (including joint holders, NRIs, POA holders and guardians in the case of minors) to furnish such documents and information as may be required to comply with the Know Your Customers (KYC) policies under the AML Laws. Applications without such documents and information may be rejected.

In terms of SEBI circulars dated April 27, 2007, April 03, 2008 and June 30, 2008 read with SEBI letter dated June 25, 2007, Permanent Account Number (PAN) would be the sole identification number for all participants transacting in the securities market, irrespective of the amount of transaction, except (a) investors residing in the state of Sikkim; (b) Central Government, State Government, and the officials appointed by the courts e.g. Official liquidator, Court receiver etc. (under the category of Government) and (c) investors participating only in micro-pension. SEBI, in its subsequent letters dated June 19, 2009 and July 24, 2012 has conveyed that systematic investment plans (SIP) and lumpsum investments (both put together) per mutual fund up to ₹ 50,000/- per year per investor shall be exempted from the requirement of PAN. Accordingly, investments in Bandhan Mutual Fund (including SIP investment where the aggregate of SIP installments in a rolling 12 months period or in a financial year i.e April to March) of upto ₹ 50,000/- per investor per year shall be exempt from the requirement of PAN. However, eligible Investors (including joint holders) should comply with the KYC requirement through registered KRA by submitting Photo Identification documents as proof of identification and the Proof of Address [self-attested by the investor / attested by the ARN Holder/AMFI distributor]. These exempted investors will have to quote the "PERN (PAN exempt KYC Ref No) in the application form. This exemption of PAN will be applicable only to investments by individuals (including NRIs but not PIOs), joint holders, Minors and Sole proprietary firms. PIOs, HUFs and other categories of investors will not be eligible for this exemption.

Thus, submission of PAN is mandatory for all other investors existing as well as prospective investors (except the ones mentioned above) (including all joint applicants/holders, guardians in case of minors, POA holders and NRIs but except for the categories mentioned above) for investing with mutual funds from this date. Investors are required to register their PAN with the Mutual Fund by providing the PAN card copy (along with the original for verification which will be returned across the counter). All investments without PAN (for all holders, including Guardians and POA holders) are liable to be rejected. Application Forms without quoting of PERN shall be considered incomplete and are liable to be rejected without any reference to the investors. The procedure implemented by the AMC and the decisions taken by the AMC in this regard shall be deemed final.

After completion of KYC compliance, investors need to approach KRA for Change of Address and not Registrar (CAMS). In respect of KYC compliant Folio, prospective Change of Address received along with transaction slip will not be processed by Registrar (CAMS). The AMC reserves the right to reject subscription requests in the absence of appropriate compliance with the AML Laws.

In line SEBI circular No. MIRSD/Cir-5/2012 dated April 13, 2012 and various other guidelines issued by SEBI on the procedural matters for KYC Compliances, the following additional provisions are applicable effective December 1, 2012:

- In case of an existing investor who is not KYC Compliant as per our records, the investor will have to submit the standard KYC Application forms which are available on our website : <u>www.bandhanmutual.com</u> along with supporting documents at any of the SEBI registered intermediaries at the time of purchase / additional purchase/ new registration of SIP/STP etc. In Person Verification (IPV) will be mandatory at the time of KYC Submission. This uniform KYC submission would a onetime submission of documentation.
- Investors who have complied with KYC process before December 31, 2011, will be required to submit 'missing/not available' KYC information and complete the IPV requirements.

- In case of Non Individual investors, complied with KYC process before December 31, 2011, KYC needs to be done afresh due to significant and major changes in KYC requirements.
- 4) Further, investors investing under a SIP up to ₹ 50,000 per year i.e. the aggregate of installments in a rolling 12 month period ("Micro SIP"), are also required to comply with the above mentioned KYC procedure. However, they are exempt from the requirement of providing PAN as a proof of identification.

Ultimate Beneficial Owner(s) : As per the requirements of Anti-Money Laundering related laws and regulatory guidelines on client due diligence and identification of Beneficial Ownership, investors (other than Individuals) are required to provide details of 'Ultimate Beneficial Owner(s) [UBO(s)]'. For the purpose of these guidelines, UBO means the natural person or persons who ultimately own, control or influence a client and/or persons on whose behalf a transaction is being conducted, and includes those persons who exercise ultimate effective control over a legal person or arrangement. In case the investor or owner of the controlling interest is a company listed on a stock exchange or is a majority owned subsidiary of such a company, the details of shareholders or beneficial owners are not required to be provided. Non-individual applicants/investors are mandated to provide the details on Ultimate Beneficial Owner(s) (UBOs) by filling up the declaration form for 'Ultimate Beneficial Ownership'. Please contact the nearest Investor Service Centre (ISC) of Bandhan Mutual Fund or visit our website www.bandhanmutual.com for the Declaration Form.

In case of any change in the KYC and / or beneficial ownership information, the investor should immediately intimate Bandhan AMC / its Registrar / KRA, as may be applicable, about such changes.

- 3. One STP Enrolment Form can be filled for one Scheme/Plan/ Option only.
- 4. The minimum 6 number of instalments required under all frequencies.
- 5. The application for enrollment for STP should be submitted at least 10 Days and not more than 90 days before the desired commencement date. In case the Start Date is mentioned but End Date is not mentioned, the application form is liable to be rejected. There will be no maximum duration for STP enrolment. However, STPs will be registered in a folio held by a minor, only till the date of the minor attaining majority, even though the instructions may be for a period beyond that date. The STP facility will automatically stand terminated upon the Unit Holder attaining 18 years of age.
- 6. Capital Appreciation STP will be terminated / not processed if (i) On marking of lien or pledge of units in the source scheme (ii) On receipt of intimation of death of the unit holder.
- The provision of 'Minimum Redemption Amount' as specified in the Scheme Information Document(s) of the respective designated Transferor Schemes and 'Minimum Application Amount' specified in the Scheme Information Document(s) of the respective designated Transferee Schemes will not be applicable for STP.
- Unit holders will have the right to discontinue the STP facility at any time by sending a written request to the ISC. Notice of such discontinuance should be received at least 10 days prior to the due date of the next transfer date. On receipt of such request, the STP facility will be terminated.

- A confirmation message (SMS + email) for registration / rejection will be sent by CAMS (Registrar and Transfer Agent) to the investor once the registration has been completed /

form has been rejected, as the case may be. The statement of account will be triggered on the STP installment date similar to a normal switch transaction.

- 11. Change in target or source scheme will not be permitted. Any such request will be construed as de-registration from the existing facility and re-registration for the new facility in the new source / target scheme, as applicable. The tracking will commence post successful registration by CAMS (Registrar and Transfer Agent).
- 12. Fixed STP Plan:
  - Offers unit holders the Fixed Systematic Transfer Plan facility at daily, weekly Day wise (Transfer on every Monday), weekly - Datewise (Transfer date will be 7th, 14th, 21st, 28th of the month), fortnightly (Transfer date will be 1st, 16th of the month) and monthly (Any date except 29th, 30th, 31st of the month) intervals.
  - II. Unit holder is free to opt for any of the Plans and also choose the frequency of such transfers. If no frequency is chosen, the application form is liable to be rejected.
  - III. Unit holders are requested to refer the individual scheme information document (SID) for 'minimum subscription' and 'subsequent installment amount'.
  - IV. In case there is no minimum amount available in the source scheme, the residual amount will be transferred to the Transferee Scheme.
  - V. If STP date/day is a non-Business Day, then the next Business Day shall be the STP Date/ Day and the same will be considered for the purpose of determining the applicability of NAV.
- 13. Capital Appreciation STP Plan:
  - I. The source scheme should have Growth option.
  - II. The date on which the request is given by the investor is entered in the system as commencement date. The capital appreciation will be calculated from the commencement date and the investor's opted start date.
  - III. Frequency: Monthly, Quarterly, Half yearly, Annual. The capital appreciation will be determined on the next business day if the 30th, 90th, 180th or 366th day turns out to be a non-business day for the switch-out scheme.
  - IV. Monthly Option Any day STP except for 29th, 30th & 31st; Quarterly Option Any day STP except for 29th, 30th, 31st of the first month of each quarter which may start from any month; Half yearly Option Any day STP except for 29th, 30th & 31st of the first month of each 6 month period, Annual Any day STP except for 29th, 30th & 31st of the first month of a 12 month period.
  - V. If the commencement date is 15th December 2022 and if the investor provides the start date 1st January 2023, then capital appreciation for first trigger will be calculated between the commencement date (15th December 2022) and the investor's opted start date (1st January 2023)
    - a. For Monthly frequency the subsequent trigger date is 1st February 2023
    - b. For Quarterly Frequency the subsequent trigger date is 1st April 2023
    - c. For Half- yearly Frequency the subsequent trigger date is 1st July 2023
    - d. For Year yearly Frequency the subsequent trigger date is 1st January 2024
  - VI. If the investor has not mentioned any date then the default date will be considered as 10th.
  - VII. Minimum Capital Appreciation Transfer Amount: INR 500
  - VIII. There will be no upper limit on the Capital Appreciation Switch out amount.
  - IX. The investor will have to mention the start and end date. The investor may choose to mention the start date and the number of installments. In case the start date is mentioned but end date is not mentioned and number of installments is not mentioned, the application will be registered for the minimum number of installments. In case the end date is mentioned but start date is not mentioned, the application will be registered after the expiry of 10 days from submission of the application from the default date i.e. 10th of every month / quarter / half year / annual provided the minimum number installments are met.
- 14. The switch will be triggered only if the required minimum capital appreciation clause is achieved. If this is not the case as on the trigger date the switch for that respective month / quarter / half year / year will be skipped. There is no limitation on number of skips.
- 15. If any trigger is skipped for a particular frequency due to the appreciation amount being less than the minimum amount, the subsequent tracking of the capital appreciation will continue with the amount as on the last executed STP.
- 16. The calculation of capital appreciation will be done at a transaction level in the respective scheme and folio. For example: If the investor has opted for this facility (monthly frequency) and CAMS (Registrar and Transfer Agent) has registered the STP in their system on 1st January 2017. All subsequent lump sum purchases (including switch-ins) in the source scheme will be tracked from the date of purchase for a period till the next Cap STP date. If at an individual transaction level there has been a minimum appreciation of INR 500, then such a transaction will qualify for switch and accordingly the capital appreciation amount would be calculated and switched to the target scheme. For all qualifying transactions, the switch amount into the target scheme will be a single collective amount after adding transaction level appreciation for all qualifying transactions.

	Rebalancing due to Short Term Defensive Consideration: Subject to para 1.14.1.2 of the Master Circular for mutual fund, the asset allocation pattern indicated above may change for a short-term period on defensive considerations, keeping in view market conditions, market opportunities, applicable regulations and political and economic factors. These proportions may vary depending upon the perception of the Fund Manager, the intention being at all times to seek to protect the interests of the Unit holders. Such changes in the investment pattern will be rebalanced within 7 calendar days from the date of deviation and further action may be taken as specified under SEBI Circulars/AMFI guidelines issued from time to time.
	Portfolio Replication norms Subject to Clause 3.6.7.2 of SEBI Master Circular, any transactions undertaken in the scheme portfolio in order to meet the redemption and subscription obligations shall be done while ensuring that post such transactions replication of the portfolio with the index is maintained at all points of time.
	Disclosure Norms:
	I. Portfolio: As per clause 3.6.8 of SEBI Master Circular:
	A. The Fund shall disclose the following on monthly basis:
	<ul> <li>Name and exposure to top 7 issuers and stocks respectively as a percentage of NAV of the scheme</li> <li>Name and exposure to top 7 groups as a percentage of NAV of the scheme.</li> </ul>
	o Name and exposure to top 4 sectors as a percentage of NAV of the scheme.
	<ul> <li>B. Change in constituents of the index, if any, shall be disclosed on the AMC website on the day of change.</li> <li>II. Tracking Error:</li> </ul>
	As per Clause 3.6.3.1(c) of SEBI Master Circular Fund, shall disclose the tracking error based on past one year rolling data, on a daily basis, on the website of respective AMCs and AMFI.
	III. Tracking Difference: As per Clause 3.6.3.2 (a) of SEBI Master Circular, the annualized difference of daily returns between the index and the NAV of the Fund shall be disclosed on the website of the AMC and AMFI, on a monthly basis, for tenures 1 year, 3 year, 5 year, 10 year and since the date of allotment of units.
Investment Strategy	The Scheme will be managed passively with investments in stocks in proportion to the weights of these stocks in the Nifty Next 50 Index. The investment strategy would revolve around reducing the tracking error through rebalancing the portfolio, considering the change in weights of stocks in the index as well as the incremental collections/redemptions from the Scheme. For detailed derivative strategies, please refer to SAI.
Risk Profile of the	Scheme specific risk factors :-
Scheme	• The Scheme attempts to track the respective indices and it would invest in the securities included in its Underlying indices regardless of
	<ul> <li>their investment merit. The Scheme may be affected by a general decline in the Indian markets.</li> <li>The performance of the Nifty Next 50 Index will have a direct bearing on the performance of the scheme. In the event the Nifty Next 50</li> </ul>
	Index is dissolved or is withdrawn by NSE Indices Limited (NSEIL) or is not published due to any reason whatsoever, the Trustee reserves the right to modify the respective scheme to track a different and suitable index or to suspend tracking the Nifty Next 50 Index till such time it is dissolved/withdrawn or not published and appropriate intimation will be sent to the Unit holders of the scheme. In such a case, the investment pattern will be modified suitably to match the composition of the securities that are included in the new index to be tracked and the scheme will be subject to tracking errors during the intervening period.
	<ul> <li>Tracking errors are inherent in any index fund, and such errors may cause the scheme to generate returns that are not in line with the performance of the Nifty Next 50 Index or one or more securities covered by / included in the Nifty Next 50 Index and may arise from a variety of factors including but not limited to, any delay in the purchase or sale of shares due to illiquidity in the market, settlement, and realization of sales proceeds, delay in credit of securities or in receipt and consequent reinvestment of Income Distribution cum capital withdrawal, etc.</li> </ul>
	<ul> <li>The Indices reflect the prices of securities at a point in time, which is the price at close of business day on National Stock Exchange of India Limited (NSE). The scheme however, may trade these securities at different points in time during the trading session and therefore the prices at which the scheme trade may not be identical to the closing price of each scrip on that day on the NSE. In addition, the scheme may opt to trade the same securities on different exchanges due to price or liquidity factors, which may also result in traded prices being at variance, from NSE closing prices.</li> </ul>
	<ul> <li>NSEIL undertakes periodic reviews of the securities that are represented in the Nifty Next 50 Index and from time to time may exclude existing securities or include new ones. In such an event, the scheme will endeavor to reallocate its portfolio to mirror the changes. However, the reallocation process may not occur instantaneously and permit precise mirroring of the Nifty Next 50 Index during this period.</li> </ul>
	<ul> <li>period.</li> <li>The potential of trades to fail may result in the scheme not having acquired the security at the price necessary to mirror the index.</li> </ul>
	• Transaction and other expenses, such as but not limited to brokerage, custody, trustee and investment management fees.
	• Being an open-ended scheme, the scheme may hold appropriate levels of cash or cash equivalents to meet ongoing redemptions. The scheme may not be able to acquire or sell the desired number of securities due to conditions prevailing in the securities market, such as, but not restricted to, circuit filters in the securities, liquidity, and volatility in security prices.
	• Due to the reasons mentioned above and other reasons that may arise, it is expected that the scheme may have a tracking error in the range of 2% per annum from the Benchmark. However, it needs to be clearly understood that the actual tracking error can be higher or lower than the range given.
	• In the case of investments in derivatives like index futures, the risk-reward would be the same as investments in a portfolio of shares representing an index. However, there may be a cost attached to buying an index future. Further, there could be an element of settlement risk, which could be different from the risk in settling physical shares, and there is a risk attached to the liquidity and the
	<ul> <li>depth of the index futures market as it is a relatively new market.</li> <li>Price-Risk or Interest-Rate Risk: Fixed-income securities such as bonds, debentures and money market instruments run price-risk or interest-rate risk. Generally, when interest rates rise, prices of existing fixed-income securities fall, and when interest rates drop, such prices increase. The extent of fall or rise in the prices is a function of the existing coupon, days to maturity, and the increase or decrease</li> </ul>
	in the level of interest rates.

Plans and Options	<ul> <li>Credit Risk: In simple terms this risk means that the issuer of a debenture/bond or a money market instrument may default on interest payment or even in paying back the principal amount on maturity. Even where no default occurs, the price of a security may go down because the credit rating of an issuer goes down. It must, however, be noted that where the Scheme(s) has invested in Government Securities, there is no credit risk to that extent. Different types of securities in which the scheme(s) would invest as given in the scheme information document carry different levels and types of risk. Accordingly, the scheme's risk may increase or decrease depending upon its investment pattern. E.g. corporate bonds carry a higher amount of risk than Government securities. Further even among corporate bonds, bonds which are AA rated are comparatively less risky than bonds which are AA rated.</li> <li>Re-investment Risk: Investments in fixed income securities may carry re-investment risk as interest rates prevailing on the interest or maturity due dates may differ from the original coupon of the bond. Consequently, the proceeds may get invested at a lower rate.</li> <li>Basis Risk (Interest-rate movement): During the life of a floating rate security or a swap, the underlying benchmark index may become less active and may not capture the actual movement in interest rates, or at times, the benchmark may cease to exist. These types of events may result in loss of value in the portfolio.</li> <li>Spread Risk: In a floating rate security the coupon is expressed in terms of a spread or mark up over the benchmark rate. However, depending upon the market conditions, the spreads may move adversely or favorably leading to fluctuation in the NAV.</li> <li>Liquidity Risk: Due to the evolving nature of the floating rate market, there may be an increased risk of liquidity risk in the portfolio from time to time.</li> <li>Other Risk: In case of downward movement of interest rates, floating rate debt instru</li></ul>
